Paradise Warrior Retreat (PWR) is proud to announce that Showtime and ESPN Sportscaster Jenn Brown will be the special guest host and moderator for Day #2 of Paradise Warrior Retreat 14! As seen on Showtime Sports for her coverage of both Mixed Martial Arts and Boxing, Jenn's outgoing and adventurous personality will without a doubt add excitement to the stacked lineup of Mixed Martial Arts stars and trainers scheduled for "The Morning After" luncheon seminar surrounding the historic Strikeforce/M-1 Global Fedor vs. Rogers show at Sears Centre Arena in Chicago, Illinois.

Following a full day of Saturday training seminars held by some of the best fighters and trainers from the world of MMA, including Andrei Arlovski, Renato "Babalu" Sobral, Shawn Tompkins, Pat Miletich, and more, Day #2 of PWR 14 will feature in depth analysis and discussion of the previous night's fight straight from the minds and mouths of the fighters themselves. Jenn Brown will lead the discussion and moderate a question and answer session for the participants of PWR 14.
